Rotary Lift Vehicle Lifts Now Available Through CMAS

Program provides fair prices to governmental agencies in California

Madison, Ind. (May 26, 2009) – It's now easier than ever for California's local governments, school districts, public colleges and other state and local government agencies to buy new vehicle lifts from the world's most trusted lift company, Rotary Lift (Rotary). These products are available for purchase through the Dover Industrial Products, Inc. (Rotary Lift Division) California Multiple Award Schedule (CMAS) contract.

The California CMAS program offers a wide variety of products to California state and local government agencies at prices which have been assessed to be fair and reasonable. CMAS contracts are available for California State and local agencies, as well as the California State Universities (CSU) and University of California (UC) systems.

Rotary sells 145 products through CMAS contract #4-08-49-0015A. The product selection and pricing is identical to Rotary's offerings to federal agencies through its GSA contract. These products include light-duty vehicle lifts, heavy-duty vehicle lifts, adapters and accessories. The following lifts are available through CMAS in a wide variety of rated capacities and configurations:

- Two-post surface lifts
- Environmentally friendly, light-duty, fully contained inground lifts
- Four-post surface lifts
- Environmentally friendly, heavy-duty, modular inground lifts
- Parallelogram lifts
- Heavy-duty portable lifts
- Alignment rack lifts
- Low-rise lifts.

Rotary will help customers identify the most appropriate lifts for any application and will arrange for installation of its lifts by local Rotary Authorized Installers.

"We are pleased to offer Rotary Lift quality and support with the convenience provided by CMAS to public agencies throughout California," says Chris Bilz, Rotary government sales leader. "We want to make it as easy as possible for our customers to choose, purchase and install the right lifts for their needs."

For more information about Rotary Lift products, visit www.rotarylif.com or call (800) 445-5438 ext. 655. For more information about CMAS, visit www.pd.dgs.ca.gov/cmas/default.htm or call (916) 375-4365.

About Rotary Lift

Rotary Lift is the leading manufacturer of vehicle lifts and equipment designed to increase technician productivity. It offers the broadest line of lifts for use in professional automotive service, commercial truck and transit, and enthusiast/residential customer segments.

Founded in 1925 by the inventor of the first automotive hydraulic lift, and based in Madison, Ind., Rotary Lift has facilities worldwide.

A founding member of the Automotive Lift Institute, Rotary Lift is the only North American lift manufacturer certified to ISO 9001 quality standards.

Rotary Lift is a Dover Company (NYSE: DOV) and is a GSA contract holder.
