

# Retractable Air Hose Reel

## Kinkless Hose

High quality, industrial-grade kinkless hose is specially blended for use on reels.

## Long-Lasting Latch Spring

A stainless steel torsion spring is used on the latch to insure maximum life.

## Corrosion Resistance

Steel components are individually powder coated and combined with composite materials, which virtually eliminates corrosion.

## Long Swivel Life

The field-proven swivel assures long service life.

## Proven Reduced Hose Stress

Industrial grade brass swivel is bent to reduce hose stress for a high cycle life.

## Ideal for:

- Auto paint & body
- Air-powered tools
- Assembly lines
- Woodworking
- Machine shops
- Garden shops, farms & ranches
- Maintenance shops
- Auto/truck repair
- Many more uses

## Hose Retracts Every Time

The latch mechanism is mounted on the arm to insure hose extends and retracts every time.

## Easy Maintenance

The glass-filled composite spool and spring case contains the industrial-grade drive-spring. The spring is protected from the environment for longer life.

## Versatile Mounting

The guide arm can be adjusted to any of seven convenient locations.

## Structural Strength

The base and guide arm are made of heavy gauge steel stamping, with re-enforced ribs to increase structural strength. Main shaft is 1" outside diameter (O.D.), cold-rolled steel.

## Easy to Mount

An exclusive mounting bracket that mounts to existing holes in Rotary two-post columns. This bracket swivels a full 180°, only available from Rotary Lift.

## Made in USA
